The Florida Sheriffs Youth Camp provides a wholesome atmosphere and positive camp experience for boys and girls between the **ages of 9 and 17**. Activities include archery, high ropes, swimming and canoeing on one of Florida's spring fed rivers. Our camp honors our military youth and their service. The camp also provides an opportunity for Deputy Sheriffs and other Law Enforcement Volunteers to get personally involved with the youngsters and build positive, healthy relationships. Campers live in cabins while learning how to share and get along within a group setting. Every day contains a healthy balance of activities and service, providing a valuable lesson for maturing youth. Strong and devoted leadership is the key to a successful camping experience. The Florida Sheriffs Youth Camp is honored to serve as an Operation Purple Camp this summer.

## **4-H Camp Timpoochee**

**Niceville, FL**

**July 31 – August 5, 2016**

The vision behind Camp Corral is one where kids, ages 8 to 15, are free to be kids, far away from the day-to-day challenges they face as children of military service members. The reality of a parent being deployed away from home for over a year is the norm for all children from military families. And for 75 percent of Camp Corral's campers, a parent coming back injured, disabled or never coming back is their reality.

Providing positive, recreational experiences in the outdoors helps foster resilience, and Camp Corral has proven to be a 'week of a lifetime,' providing kids non-stop fun with activities like canoeing, swimming, fishing, arts and crafts, ropes course challenge, archery, horseback riding, and other camp and outdoors activities. The week also encourages the campers to create friendships and bond with other kids who share similar family situations. Not only is Camp Corral important for military children, but it has also proven to be a gift for the camper parents, including veterans, active duty and reserve service members who have sacrificed so much to keep our nation safe and protect our personal freedoms that we hold so dear.

They will be given a voice to inform AF senior leadership of their top issues as AF dependents.
